Refunds/cancellation policy

All electronically issued services offer quality assurance. Clients agree to resolve questions, concerns, or disputes regarding the quality of delivered services by submitting a written request. This request must specifically outline all questions and concerns about errors or omissions so that our experts may address, respond to, and/or correct any areas of concern on the client's behalf quickly and professionally. With a service delay within the committed time, refunds can be granted but we will provide an update if there might be some delay. No cancellation requests will be accepted for confirmed orders.
